In re Application of: : DECISION ON PETITION TO  
Goddard et al. : WITHDRAW THE HOLDING  
Serial No.: 09/202,054 : OF ABANDONMENT  
Filed: December 7, 1998 :  
Attorney Docket No.: **P1154R2** :

This is in response to applicants' petition under 37 CFR 1.181(a) filed on September 30, 2008, requesting withdrawal of the holding of abandonment which indicated that the application was abandoned in view of the Decision by the Board of Patent Appeals and Interferences. The delay in responding to this petition is regretted but it has only recently come to the attention of the deciding official.

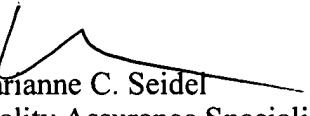

A review of the file history shows that the examiner mailed a notice of abandonment on July 31, 2008 in view of the Decision by the Board of Patent Appeals and Interferences.

Applicants state that "This Notice of Abandonment is erroneous. There are allowed claims in the application, namely, claims 55-57". Specifically, applicants state that "In the Decision by the Board of Patent Appeals and Interferences rendered on May 2, 2008, the rejections to claims 28 and 48 under 35 U.S.C. 102(b) and those to claims 29, 49, 50 and 54 under 35 U.S.C. 103(a) were upheld. However, the Examiner's rejections to claims 55-57 under 35 U.S.C. 101 and 35 U.S.C. 112, first paragraph were reversed in this Decision. Therefore, there are allowed claims in the application, namely, claims 55-57. In accordance with M.P.E.P. 1214.06 at page 1200-59, Applicants' attorney was not required to file a reply to the Decision. Instead, the Examiner should have canceled claims 28-30, 48-50 and 54 and issued the application with claims 55-57". Applicants' points are well taken and persuasive.

Accordingly, applicants' petition is **GRANTED**.

This application will be forwarded to the examiner for an action not inconsistent with this decision; namely, withdrawal of the abandonment, allowance of claims 55-57 and cancellation of claims 28-30, 48-50 and 54 as requested.
